

Seventh Grade Class News  
Week of August 24-28

I hope everyone is getting settled in and back to a school routine. This week Brody rejoined the class. It was great to see him return to the group.

Coming home today is the white Friday Communicator. Please sign this, keep the enclosed papers at home and RETURN on Monday. Students who do not return this by Tuesday will be receiving a special written assignment.

This week and next week students have the option to retake their Vocab Meaning test. Please let me know if your student would like to do this.

School pictures are in two weeks. Order forms came home today.

Don't forget about pre-ordering hot lunches. Remember lunches can NOT be ordered the day you plan to eat them.

Have a Great Weekend!! Please let me know if you have any questions or concerns.

Mrs. Huffman
