TRACK COACH NEEDED

BETHALTO

Sadly our track coach from last year, Emily Fitzgerald cannot lead our team this year. She will be missed. That means that there is a wonderful opportunity for you to step up and take her place. She has assured me that she will help the new coach get started and provide help throughout the season. This does not have to be a single person, so maybe a group of parents can work together to lead our team. Please contact Mr. Knosher at athleticdirector@zionbethalto.org for more information.
